

Home Learning Activities – Year 6 – W/C 08.06.2020

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. Wider Curriculum activities will cover different aspects of Science, History, Geography, Music and Art whereas the Wellbeing activities will cover different aspects of PSHE and PE.

	Monday	Tuesday	Wednesday	Thursday	Friday

Watch this video and get advice about friendships. Supporting material</p>
Daily Prayers for Home	<p>Shake It Up! This week we continue to learn about Pentecost, when the disciples received Jesus’ promised gift of the Holy Spirit, who strengthened them and helped them to be like Jesus. Watch the assembly video. Through the story of a girl who is helped in various tasks, this assembly invites children to consider how the Holy Spirit can help them to be like Jesus too! Learn About The Holy Spirit When you have watched the video, think about the people who have helped you do or learn something new and write a prayer of thanks for their help. Think about all of the people who have helped others during our current difficult times like Captain Tom Moore, the NHS and food banks. Try to think of other examples, make a list, and think about how the Holy Spirit works through people to help others.</p>
