

Home Learning Activities – Year 5 – W/C 29.06.2020

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. Wider Curriculum activities will cover different aspects of Science, History, Geography, Music and Art whereas the Wellbeing activities will cover different aspects of PSHE and PE.

	Monday	Tuesday	Wednesday	Thursday	Friday

It lasts 10 minutes.</p> <p>Video</p>	<p>Growth Mindset</p> <p>Watch the video and write down three ways you will have a positive mindset for next year!</p> <p>Video</p>
Daily Prayers for Home	<p>Through a story about children who are scared of a thunderstorm, children will learn that everyone experiences fear, but that we can build resilience through gratitude. Children will learn that the greatest thing they have to be thankful for is Jesus, who frequently tells us, "Do not be afraid". Watch the assembly and then make a list of your favourite things. When you have finished spend a few minutes quietly thanking god for these things.</p> <p>Do Not Be Afraid Assembly My Favourite Things from The Sound of Music</p>
